

BAGORDI

MATURANA CRIANZA

Grape varieties: 100% Maturana Red.

Vintage: 2022

PRODUCTION

After a careful harvest of our organic vineyards and a careful elaboration with a low temperature fermentation and a post-fermentation maceration, give this wine an extraordinary maturity. Maturing for 12 months in French oak barrels, together with aging on the lees, gives way to a rest in the bottle, where it will remain in our bottle rack for a year.

TASTINGS NOTES

Visual: Intense cherry red high layer, with hints of violet, clean and bright with abundant tears.

Nasal: High intensity and aromatic complexity, spices, pepper, red fruits with acid notes, all perfectly integrated.

Taste: Great volume and structure, powerful and ripe tannins. Balanced acidity, presence of ripe fruit, and a balsamic aftertaste, leading to a very long and pleasant aftertaste.

Optimum serving temperature 16°C to 18°C

Note: Due to its special production conditions, some precipitation may occur over time.
