Variety:

- Tempranillo grape from more than 20 year-old vineyards.

Production:

- Destemmed and macerated for 20 or 25 days in stainless steel tanks at controlled temperature. It remains in barrels of American, French and Rioja oak for 14 or 16 months for ageing. Later, the fining and the bouquet is blended in the bottle cellar.

Tasting Notes:

- Cherry-red, with shades of brick-red tones, keeping the balance between fruit and wood aromas.
- Powerful in the mouth and smooth at the same time.
- Lingering, light, and round.

Recommended Temperature to serve:
16°C / 18°C
