## TEMPRANILLO

By VALLEMAYOR

### 2023

#### Tasting notes

A single-varietal Tempranillo wine made with grapes from a single vineyard. Intense garnet colour and slightly violet ribbon. With aromas of red berries and hints of liquorice from the fruit. Notes of vanilla and caramel from the American new oak. Velvety mouthfeel with a persistent aftertaste.

#### Origin

La Mata.

#### Vinification

*100% Tempranillo.*

The grapes we selected were picked during the first two weeks of October, starting a cold maceration for a pair of days. We fermented in stainless steel tank between 26 and 28 °C for two weeks.

We kept the wine in the same tanks for post fermentation maceration during 2 more days.

Then we extracted the wine and filled the barrels (100% American new oak) in December 2023.

The wine was extracted from the barrels the following March and very softly clarified with peas protein and bentonite. Finally we bottled the wine on April 2024.

#### Pairing

Meats, cheeses and roasted baby pig or lamb.  
Temperature better served at: 12-15 °C.

ALC. by VOL.: 13,5% Vol.
