

Rielo

2019

Variety: Viura 100%

Planting year: 1.948

Root: Rupestris de lot, one of the oldest existing rootstocks

Altitude: 525 meters

Alcohol: 13,1°

Surface: 1.1 Ha

Conduction system: Bush vines

Planting frame: 1,80 x 1 m (very unusual)

Bottle: 19th Sept 2020

Production: 2165 bottles, 5.500 kg/Ha (Viura authorized yield is 8.520 kg/Ha)

PLOT

Finca San Andrés, pebbly calcareous-clay with a high mineral content. Deep eastern slope. East-west to capitalise on the length of the plot. Exposed to northern winds and protected from western winds by a small hill.

HARVEST

Hand-picked in a 2.000 kg stainless-steel bathtub.

WINEMAKING

Once at the winery it goes to the press straightaway and is fermented in French-oak barrels, inox tank and Flextank. Racked and aged for 7 months in the same barrel with weekly batonnage.

TASTING NOTES

Clean, bright almost transparent colour. The nose displays linden blossom, wooden notes and grapefruit aromas. Fragrant and tasteful, on the mouth it's round and balanced with a pleasant aftertaste.
