Fermented in stainless steel tanks with temperature control, malolactic fermentation and aged for 5 months in concrete tanks. Aged in American oak barrels for 10 months. Due to the meticulous grape selection, we obtain an exclusive edition of 600 bottles in this 2023 vintage.

## TASTING NOTES

Bright cherry red color with violet hues. On the nose, fresh red fruit and raspberry well integrated with spicy notes and a touch of vanilla. On the palate, freshness, lively acidity, polished tannins, and a balanced finish with fruity and toasted memories.

## HISTORY

This wine reflects the essence of the old Garnacha vineyards cultivated over generations. With a soul inspired by travel, it maintains the essence of Rioja grapes and tradition together with the influence of South America.
