

# Stelvio<sup>BLANC</sup>

**La diferencia entre quien eres y  
quien quieres ser, es aquello que haces**

**The difference between who you are and  
who you want to be is what you do**

**VARIETY:** 70% Malvasia and 30% Sauvignon Blanc

**TOWN:** Hormilla (High Rioja)

**VINYARD:** VALDECUERVA .680 m altitude

**AGING:** 25 years

**TASTING:**

Its appearance beholds to the eye a good, spirited shine with pale, yellow tones.

A still glass of Stelvio Blanco unfolds in its full, aromatic expression as pure grape.

Upon swirling the glass, the aroma changes to that of white, balsamic flowers. Without a doubt, the burst of fruity flavor always thrives immediately. It has a juicy presence in the mouth with a persistently good degree of freshness. After its fine and friendly pass through the mouth, posterior scents of apples and pears, along with a marked fresh herbal flavor are left. A spot of bitterness lasts between sips, prolonging the Stelvio Blanco's enjoyable presence.
