

Abelo de Noa

STORY

Abelo is a very special crianza, created as a tribute to Carlos Alonso González, the soul and driving force behind this winery. It is a wine that blends the freshness of youth with the wisdom of time — a reflection of a life devoted to wine with passion and dedication. A tribute made even more heartfelt by his granddaughter Noa, who gifted him her very first words: “Abelo.”

GRAPE VARIETY

100% Tempranillo

WINEMAKING

Sourced from our oldest vineyards, over 40 years old, with limited production. It is only crafted in vintages rated as excellent or very good, with numbered editions. In pursuit of the finest wine, French oak barrels have been carefully selected for their exceptional finesse and quality.

TASTING NOTES

On the nose; ripe black and red fruit, forest florals, spices, cocoa and caramel very well integrated with resinous incense, roasted and smoked. A very complex and intense wine.

On the palate; it is powerful, intense and ripe with powdery sweet tannins completely filling the mouth. In its profile it mixes classic and modern characteristics of Rioja wines to achieve a wine with a great future in the bottle.

*We recommend decanting to fully appreciate its character.
