“A dream an illusion”

#### ABOUT THE VINEYARD:

Vineyard planted in 1986 on the hill of the municipality of “Calitrancos”, a hillside and two altars facing East, a surface area of 0.55 ha and an altitude of 540m, 100% Tempranillo without adjoining vineyard. Loamy and limestone soil, with a shallow depth of 40 cm of arable soil, followed by sandstone rock of the area, with which it is surrounded.

#### MICROVINIFICATION:

“It is only made over the years, the grapes are perfect due to the weather”

The grapes are thinned before veraison, leaving the smallest cluster per vine shoot. Manual harvest in 10 kg boxes for later selection and shelling. Cold maceration and subsequent fermentation in 25 days at low temperature, soft pressing at low pressure.

#### STORING:

Filled with 9 225l French oak barrels, new and used for malolactic fermentation and aging for 20 months, cleaning is not clarified or filtered based on racking.

**VINTAGE PRODUCTION:** 3.360 botellas de 0,75 y 214 magnum
