

FUENTEPICAS CRIANZA

COLOUR:

Bigarreau cherry red with violet hues and medium-high depth.

ON THE NOSE:

Aromas of liquorice, lollipop and red fruits, which highlight the character of the vintage, intermingled with hints of pastries, coffee and balsamic nuances.

IN MOUTH:

Sweet entry that gives way to a balanced acidity that brings freshness. On the palate, the wine is round and elegant. The aftertaste again recalls the intensity and aromatic profile of the wine.
